

## SARONIC JEWELS

3 islands, legendary Peloponnese sites  
guided with vehicle support

**May 8-16, 2021**

**September 11-19, 2021**

*Tour destinations: Athens, Hydra island, Spetses island, Poros island, Epidavros, Nafplio*

### DESCRIPTION

The Argo Saronic region in the southeast corner of the Peloponnese Peninsula is where everything encourages you to pedal at a gradual pace, or siga-siga (slow, slow) as the Greeks say. We bicycle, swim, smell the lemons, shop for quality souvenirs and take enlightening archaeology tours of legendary antiquities.

The tour introduces you to three islands, two World Heritage Sites, the incredibly lovely city of Nafplio which you will rate your favorite. The region is known for its Nemean wines where wine-making from ancient days continues to inspire and delight visitors.

During the tour you will also get in the kitchen to learn how to make a traditional Greek meal, and then you will get to eat it. There will also be a Greek spirits night of liqueur flavors you've probably never tried before and whose tastes are unique to Greece. Learn a few handy phrases during a one hour Greek language lesson, and then you can greet the locals.

We recommend you take the Athens Add-on which precedes the Saronic Jewels spring tour and follows the fall tour. You will immerse yourself in the culture of Athens and Attica region with exciting activities: Historic Central Athens bike tour (90% traffic free), Acropolis & Acropolis Museum with professional guide, Temple of Poseidon coastal cycling, walking food tour of Greek cuisine.
