

SACRED SITES

cycle directly to legendary ruins in the Peloponnese

May 29 – June 7, 2022

Tour destinations: Athens, Nafplio, Vytina, Olympia, Lampeia, Kalavryta

DESCRIPTION

Sacred Sites on this tour: Ancient Corinth, Ancient Nemea, Ancient Mycenae, Epidavros Theatre, Ancient Olympia

Overnight Destinations: Athens, Nafplio, Vytina, Olympia, Lampeia, Kalavryta

Rural cycling prevails. Tour highlights include 3rd century BC Epidavros Theatre, once the largest healing center in the ancient world and Ancient Mycenae where King Agamemnon ruled who launched the Trojan War. Athletic competitions were held in four cities; on this tour you visit three of them — Olympia, Nemea, and Isthmia, but regrettably no time for Ancient Delphi.

Lonely Planet named the Peloponnese peninsula the #1 European destination in 2016. Outside magazine named our Sacred Sites tour one of the “6 Best Cycling Tours in Europe.”

After a vigorous bike tour, take the Hydra Island Escape for three nights of pure R & R.
