

CYCLE CYCLADES

Ferry hopping 5 gorgeous islands

May 17-25, 2025

and September 1-9, 2025

Tour destinations: Syros, Mykonos, Paros, Antiparos, Naxos

DESCRIPTION

When travelers fantasize about Greece they usually conjure up stark whitewashed island villages surrounded by a blinding blue sea. That's the Cyclades. Blue and White, just like the Greek flag. Our bike tour uses ferries to hop from island to island.

The 4 night Santorini Hiking add-on offers Cyclades in all its glory with cultural activities and land and sea excursions. You hike along the volcano's caldera ridge to witness the watery horizon 360 degrees. Sail into the caldera and ascend a volcanic peak. In a Cyclades cooking class, discover the unique local foods. We introduce you to Santorini's marvelous wines grown in volcanic soil.

Before or after your bike tour, while in Athens see the city and surrounding region from a bike. Check out Athens Day Tours

ITINERARY Cyclades 8 nights, depart on Day 9

Day 1: Athens

Arrival day — test ride and fit the bikes in late afternoon. Welcome Dinner on rooftop terrace with Acropolis view.

Day 2: Syros

Early morning departure on a ferry to Syros, the capital of the Cyclades islands. Syros is known for its many beaches and elegant capital, Ermoupoli which means “trading city.” A warm-up short ride in the interior of the island to **Ousyra Winery**, a family run winery for wine tasting. Later a walk up to the car-free medieval neighborhood Ano Mera. **scenic warm up ride 21 km, 13 miles**

Day 3: Syros

Today’s ride makes a big loop in the southern half of Syros starting with a 204 meter ascent (670 feet), the highest point of the day. The route goes from one beautiful beach to the next finally stopping at Vari Beach for lunch and swimming in the protected bay. **36 km, 22 miles**

Day 4: Mykonos

Mykonos is famous for its party scene, its high end shopping, its cool vibe. Mykonos offers a stark contrast to the other low key simple elegance of the other Cyclades islands. Biking is minimal on Mykonos — a ride to a sandy beach and a classy Mediterranean lunch.

Day 5: Paros

A morning local boat takes us to the ancient sanctuary of Delos island, a World Heritage Site to explore its extensive grounds. Lunch in Mykonos harbor, then

catch a ferry to Paros. We bike to the hotel in Naoussa, check in, then bike and hike the dirt path to the 1887 Korakas Lighthouse. **12 km, 7 miles, 45 minutes hike**

Day 6: Paros

Our main destination is adorable Antiparos island, a 10 minute ferry hop from Paros. There's a fun detour to the unique Valley of the Butterflies. In Antiparos, we bike ride to the famous cave and descend by foot to its bottom, A ferry back to Paros to bike the southern coast. **58 km, 36 miles**

Day 7: Naxos

Morning ride to Lefkes, the highest village on Paros. Take a ferry to Naxos, arriving in time for lunch and to walk to the Portara. There are a number of biking options in Naxos, including to an olive oil museum, a 6th century BC "kouros," or the protected Alyki juniper forest. **23 km, 14 miles in Paros, 23 km, 14 miles in Naxos**

Day 8: Naxos

Today is the tour's highest cycling day, up to 1633 feet. En route there's a stop at a marble kouros (ancient Greek male statue) left unfinished in its quarry. At cute little Halki, sample the "kitron," shop at an olive wood store, visit the art gallery. Cycle to Aria Springs and hike up to Za Cave. **48.55 km, 30 miles**

Day 9: Departures

Take ferry or flight to Athens or 2 hour ferry to Santorini for Santorini Hiking add-on tour
